

About RisherMartin: RisherMartin Fine Homes is a fast growing, professionally managed, Austin, Texas based firm specializing in custom home building, whole house renovations and additions. A process-focused and technology driven company, RisherMartin has developed and deployed sophisticated management systems that enable accurate pre-construction planning, on-time and on-budget execution, and best-in-class customer service. We partner with award winning architects and designers to deliver notable projects for discriminating clients in Austin's most prestigious neighborhoods.

Job Summary: In this role, you will aid the RisherMartin Project Managers to promote the safety, cleanliness, and organization of each construction site. You will demonstrate integrity and professionalism when working on RisherMartin projects and interacting with clients.

Job Responsibilities:

- Monitoring jobsite cleanliness
- Sweeping
- Shop-Vac
- Exterior trash pickup
- General cleaning
- Minor landscaping duties
- Miscellaneous site protection when needed, including cardboard, plywood, taping
- Some moving and lifting will be required
- Stocking trips for materials

Requirements:

- Reliable transportation
- No criminal history
- Clean driving record as you will be operating a company vehicle.
- Sturdy clothing including footwear, gloves, long pants, etc.

Additional Notes:

- Hours needed will vary, approximately 30-40 hours per week.
